Dear Stakeholders:

This is to notify you that the second Stakeholder meeting will be held on Tuesday, November 16, 2010, from 6:30 p.m. to 9:30 p.m. in the Board Room of the Government Center, located at 1 Harrison Street SE in Leesburg. Also, please find the following documents attached to this e-mail: 1) the Agenda for the meeting on November 16; 2) Summary Notes of the meeting held on November 9, 2010; and 3) the Affirmed Stakeholder Ground Rules as revised by the Stakeholders at the meeting on November 9.

Please note that I will be sending a revised Issues Matrix on Monday, November 15, which will include the new issues raised by the Stakeholders at the meeting on November 9. The new issues will be added to the end of the Matrix. For the meeting on November 16, please remember to review the Issues Matrix that was distributed to you on November 3 and come prepared to begin discussion of the specific issues. When reviewing the issues, please consider the following: 1) Of the options cited, which do you find acceptable, which do you think should be eliminated, and are there other options that you would like considered? 2) What level of support do you give each option (High, Medium, or Low)? 3) Are there any questions that still need to be answered?

I will also be sending a separate e-mail that will include documents sent to me by Stakeholder participants for distribution to the group.

Once again, thank you for your continued participation in this important effort. We look forward to seeing you on November 16. As always, please let me know if you have any questions or if I can be of any assistance.
